**Subject:** Traffic Data for Converse County Wyoming

Dear Jim,

A review of our records shows that we counted Ross Road (Converse County Road 31) as a part of our manual count program in both 1998 and 2004. In this program we count a site four time a year, once in each season, by the FHWA scheme F vehicle classification. I have attached the data from those counts.

Let me know if I may be of further assistance.
